

## Creative Resourcing

Is money ever an issue when it comes to resources? Since the material is not “ok to copy”, here are some creative suggestions to acquire the resources you need for an event like Youth VBS:

1. Share with other churches.
2. Develop an associational sharing system.
3. Ask your Association’s Director of Missions about possibly purchasing some Youth VBS books for church use.
4. Use the leader guide only.
5. Create student sheets from the student book that only include the info and activities you want to include for your session.
6. Other...  
Brainstorm other ways to carry off Youth VBS and not break the bank:

These ideas might help you pull off an event like Youth VBS when money might not be in abundance and still keep you in check with copyright laws. :)
