Your deposit check can be made payable to the Baptist General Convention of Oklahoma and can be mailed to us at 3800 N. May Avenue Oklahoma City, OK 73112 with an attention line to Amy Biliske. Please include contact information with your deposit so we will know where to credit the funds. Deposits are due within 30 days of application submission and the final deadline to turn in deposits will be at the November 8th training meeting.

To apply for any of the 2015 Go Students projects, please visit skopos.org and you will find the application form under 'Missions' and then under 'Go Students'. On the website you can also find other downloadable information that will be helpful to you during the planning and preparation process.

Attached are multiple resources that may be used to your advantage as you begin your journey. We have provided a Parent Letter to better inform parents of the reality of the Go Student projects. Also attached is a fundraising packet that will allow you to begin planning how to raise spiritual and financial assistance for your trip. We have also attached a general information sheet that gives a little more detail about each of the projects that we are offering this coming summer.

The Parental Consent forms will be due at the November 8th Go Students Rally training meeting at Southern Hills Baptist Church. There will also be an additional training meeting on April 10th & 11th, 2015. The location for this training event will be in the OKC metro area, however the exact location is TBD. Both of these training events are mandatory to all participants for our 2015 Go Students projects.

Again, we are so incredibly excited for what God is doing all across the world through students just like you. It is a joy to be a part of making Him known to all nations and we pray that you will seek His will and guidance in all things as you prepare for this incredible opportunity.
