Briefly share your testimony of how and you came to trust in Jesus? (use the back of this paper if needed)

Why do you believe what you believe?

What has been the most meaningful scripture you remember studying and learning while in the youth ministry here?

Share one time in which you have shared the gospel with someone else.

What has been the most significant experience or event in your time in the student ministry?

List three or four other believers who you have a meaningful connection to in the church.

How do you plan to maintain those connections, and how do you plan to find new sources of encouragement and accountability after you graduate?

Will you stay involved in church here or find a church while you attend college or move away to work?

Where will that be?

If attending college, what collegiate ministry do you plan to connect with?

How do you plan to carry on your faith and involvement with the family of God (the church) after graduation?

What are three scriptures you have memorized in your time in the student ministry?

How has your involvement in the church to this point affected your life? Your friendships? Your family?

If there is one thing you could encourage other students with, what would it be?

Do you have any questions of the staff or youth ministry team or need help in any way as you graduate?
