

# BAPTISM

- » Baptism is an important step of obedience you are taking to show that you belong to God through Jesus.
- » Baptism is a symbolic, physical act. By being immersed in water, you are publicly expressing your faith in Christ. It is a visible way to show others the decision you have made to trust Jesus for salvation and trust Him to be Lord of your life. You are making a promise or covenant before them to live faithfully as a follower of Jesus.
- » Baptism shows Jesus' death, burial, and resurrection, which is why a person is put completely under the water for baptism. It identifies your death to sin, the burial of your old life, and your resurrection to walk in newness of life in Christ Jesus!
- » Baptism is a demonstration on the outside of what happened to you spiritually on the inside when your sins were washed away and you chose to follow Jesus for the rest of your life.
